HOW DOES IT WORK?

1. Evins will enroll employees online. Employees will receive their BBVA card via regular mail.
2. Employees activate their card and select a Personal Identification Number (PIN) online or by calling a toll free number. This PIN can be used to receive cash at ATMs or from point-of-purchase terminals at participating retailers.
3. Each pay period, BBVA electronically submits our employees' pay via Direct Deposit of Payroll. Cardholder account numbers for Direct Deposit are provided to Evins accounting department online.
4. Employees' pay is credited to the PaySource™ Card and is available first thing in the morning on payday.
5. Employees can withdraw funds at any banking center that process Visa cash advances, or at any ATM displaying the Visa/PLUS® sign worldwide. Employees can use their cards to pay for purchases where they shop, anywhere Visa® Debit Cards are accepted.
